About AORA Global Summit 2027

AORA Global 2027 is a premier international summit hosted by the Academy of Regional Anaesthesia (AORA), bringing together a global community of clinicians, educators, and innovators in regional anaesthesia and its expanding horizons.

The summit focuses on learning-led engagement, collaborative dialogue, and practice-oriented exchange across regional anaesthesia, POCUS, chronic pain, perioperative care, and holistic clinical practice.

AORA Global 2027 provides industry partners with a unique opportunity to engage meaningfully with a highly specialized audience in regional anaesthesia, perioperative medicine, POCUS, and pain medicine.

Why Partner with AORA Global 2027

- Access to a highly specialized audience in regional anaesthesia and pain medicine
- Engagement with key opinion leaders, educators, and next-generation practitioners
- Opportunities for ethical, education-aligned industry interaction
- Visibility at a globally inclusive summit with participation from international societies
- Association with a meeting that prioritizes patient-centered care and responsible innovation

Scientific & Educational Highlights

The Programme emphasizes interactive, practice-oriented learning, including:

- Live procedure demonstrations and video-based procedural walkthroughs
- Problem-Based Learning Discussions (PBLDs)
- Courtroom-style sessions on clinical decision-making, ethics, and medico-legal aspects
- Structured delegate discussions and open dialogue forums
- Sessions on soft skills, communication, teamwork, and holistic approaches to care

These formats create extended engagement time, allowing delegates to thoughtfully explore new technologies, tools, and solutions.

Delegate Profile

Expected participants include:

- Anaesthesiologists and regional anaesthesia specialists
- Pain physicians and perioperative clinicians
- Educators, faculty, and researchers
- Fellows, trainees, and early-career practitioners
- Decision-makers involved in clinical practice, training, procurement, and hospital administration.

This ensures informed, relevant, and meaningful interaction for industry partners.

Exhibition & Partnership Opportunities

Industry partners will have opportunities for:

- Exhibition spaces in high-traffic delegate areas
- Sponsored educational sessions aligned with conference themes
- Hands-on demonstration zones (as per ethical guidelines)
- Brand visibility across conference materials and digital platforms
- Long-term engagement with AORA educational initiatives

(Custom partnership tiers and layouts will be shared separately.)

Global Vision

AORA Global 2027 is guided by a shared global purpose — so that every patient receives better care, making us all one.

Industry participation is welcomed as a collaborative partner in learning and progress, aligned with ethical standards and educational integrity.

Important Instructions

Exhibitors can select between two types of Stall Options:

1. Bare Space or Customised Booth
2. Octonorm or Shell Scheme Booth

Exhibitors are requested to inform the organisers of the selection of their stall type in advance, so suitable arrangements can be made. Especially exhibitors opting for Shell Scheme Stall must confirm 10 days prior along with the exact FASCIA NAME which needs to be displayed on their booth.

Bare Space or Customised Booth are for exhibitors who wish to design & build their own booth from scratch

- ◆ Design and material for construction of individual booths has to be arranged directly by the Exhibitors
- ◆ Only Power connection will be supplied by organizers

Octonorm or Shell Scheme Booth are for exhibitors who require the Basic Octonorm Set Up from organisers on which the exhibitors can further add on their branding.

All Shell Scheme Packages Include:

- ◆ 1 Table with 2 Chairs
- ◆ 1 Waste Paper Basket
- ◆ 1 Company Name on Fascia Board including the Booth Number
- ◆ 3 100W Spotlights
- ◆ 1 x Power Socket

Exhibition Stall Guidelines

1. Stall Possession, Setup & Dismantling

- ◆ Stall possession will be handed over from **11:30 PM onwards on 9 June 2027**.
- ◆ All stalls must be fully completed and exhibition-ready by **6:00 AM on 10 June 2027**. No construction or fabrication work will be permitted after this time to allow housekeeping and venue preparations.
- ◆ Dismantling and removal of exhibits must be completed between **4:30 PM to 6:00 PM on 12 June 2027**.
- ◆ Any revision to the setup or dismantling schedule will be communicated by the Organizing Committee closer to the Conference.

2. Stall Construction & Branding

- ◆ No part of any stall structure, exhibit, branding, or display may extend beyond the allocated exhibition space.
- ◆ No additional fittings, name boards, covers, logos, balloons, or display elements may be attached, glued, nailed, screwed, or drilled onto the shell scheme/Octonorm structure.
- ◆ Only double-sided tape may be used for branding purposes. Painting, wallpapering, or applying printed graphics directly onto Octonorm panels is not permitted.
- ◆ Banners, standees, and promotional displays may only be placed within the designated stall area. Display or promotional material outside the allotted stall space or elsewhere within the venue is strictly prohibited.
- ◆ Any damage caused to Octonorm panels or other stall infrastructure shall be chargeable to the exhibitor.

3. Electrical & Power Supply

- ◆ Each stall will be provided with **1 KW single-phase power supply**.
- ◆ Additional electrical load or three-phase power connections may be arranged at an additional cost, subject to availability.
- ◆ All electrical wiring must be properly concealed, securely taped, and approved by the venue's chief engineer. Temporary or loose electrical connections will not be permitted.

4. Safety & Compliance

- ◆ Exhibitors must comply with **all venue fire, health, safety, and statutory regulations**.
- ◆ All exhibits, materials, and products displayed must comply with applicable government regulations and safety standards.
- ◆ During setup and dismantling, all personnel must wear appropriate safety gear, including **closed safety footwear and safety helmets**.
- ◆ Personnel working in guest corridors during setup or dismantling must wear their company's crew T-shirt or other identifiable uniform.
- ◆ All contractors, labourers, technicians, and booth personnel **must carry a valid Government-issued photo ID** while entering and working within the venue and produce it upon request.

5. Stall Operations

- ◆ **Exhibitor Badges:** Each stall will receive the number of exhibitor badges allocated by the Organizing Committee. Additional badges, if available, may be issued at applicable charges.
- ◆ Sharing or subletting of stalls is strictly prohibited and shall be treated as a breach of contract. The Organizing Committee reserves the right to cancel the stall allocation without refund and impose applicable penalties.
- ◆ Exhibitors are responsible for obtaining the necessary gate passes from the venue for movement of materials in and out of the exhibition area.
- ◆ All exhibits, products, and promotional materials must comply with applicable Government of India laws and regulations.
- ◆ Any materials retained overnight within the stall shall be at the exhibitor's sole risk. The Organizing Committee and Venue shall not be responsible for any loss, theft, or damage.

6. Housekeeping

- ◆ Exhibitors are responsible for ensuring that their appointed stall contractor thoroughly cleans and vacuums the stall immediately after completion of construction and before the exhibition opens.
- ◆ The stall should be handed over in a clean, safe, and exhibition-ready condition before the commencement of the conference.
